This event will be hosted outside, in case of inclement weather, we will move to the inside of the building. Either way, dress warmly!

Food and refreshments will be provided.

You are welcome to bring a sweet or savory treat to share, if you would like.

Let's gather and give thanks as December unfolds. It's the perfect time to gather, celebrate and develop the bonds that bring us together in this unique place we call our home. Whether it's preparing a meal, sharing stories around the table, or simply enjoying each other's company, this time of year encourages us to embrace gratitude in all its forms. Let's use this time to reflect on the blessings of the past year and savor the beauty of togetherness before the busy holiday season begins.
